<u>Center News</u>

On Saturday December 28, after Shabbat services, we had a special Hanukkah dairy luncheon with Indian delicacies, Italian cuisine, blintzes and, of course sufganiyot (donuts) and latkes. Cantor Katz led us in beautiful Hanukkah songs during the meal. The joy of the holiday pervaded the entire shul.

Lois Roman's Visit To FFMJC By Rabbi Dan Wolpe

On November 16, we had a very special Shabbat guest. Her name was Lois Roman and she was here to teach us the history of our Holocaust Torah and the Holocaust Torahs that have been saved throughout the world. A Holocaust Torah, as the name implies, is a Torah that was saved from the Nazis. However, the story of their reclamation and redistribution is far greater than just their having been saved from destruction during World War II.

As Ms. Roman explained to us, many of these Sifrei Torah dated back one hundred or two hundred years before the Holocaust. They are crucial links not only to our faith but to communities that thrived at different times in history. When the Nazis ravaged Jewish communities, many Sifrei Torah were destroyed, while others were either hidden by Jews or warehoused by the Germans.

After the war, a movement slowly grew to seek out these Sifrei Torah and return them to the Jewish communities around the world. Often, intrepid searchers like Ms. Roman had to go to way out locations in foreign countries to retrieve the Sifrei Torah. Her organization then found that there was a warehouse that had hundreds of lost Torahs. They were able to retrieve them and catalogue them and have now sent these Sifrei Torah to synagogues around the world, including ours.

Ms. Roman's presentation was fascinating and informative and we were honored to have her.

Sisterhood News

Now that winter is officially here, we plan to keep indoors and stay warm and dry. However, plans are being made for the spring. The first Sisterhood function is scheduled for March 26th when the Book Club will meet to discuss the book "The Language of Flowers" by Vanessa Diffenbaugh. Call the Fresh Mead-ows library to see when the book is available for our group. The group meets at 11AM. Following the discussion, the members of the Sisterhood Board will meet to plan for the new season. Save the date of April 30 when we will celebrate Yom Ha' atzmaut, Israel Independence Day, with a luncheon and entertainment.

Looking back to the November meeting, we all enjoyed a video about Broadway musicals and the Jews. It was interesting to note that so many of the composers and lyricists were Jewish. As always, we enjoyed the bagel and lox lunch and socializing with our friends. Thanks to Matilda for preparing the food for the lunch.

Save the following dates! April 23, Book Club: book to be announced. May 14, Sisterhood lunch and program with a doctor from Northwell Health. May 21, Book Club.

Have a Healthy winter and keep warm.

Marilyn (in Florida) and Joan, Sisterhood Co-Presidents.

CHANUKAH PARTY AND CELEBRATION

Just a few days before the official start of Chanukah, Sisterhood sponsored a party for the holiday. Many members and friends joined together to eat lo mein and latkes and then to be entertained by our own Cantor Aaron Katz.

Did you ever hear the Dreidel song Texas style (yee haw!). We did. What a beautiful variety of folk music and other songs Cantor Katz brought to us from "This Land is Your Land" to Peter, Paul and Mary's "Light one Candle". Thank you, Cantor Katz. Thank you again to Matilda who made all the arrangements for the food. Thank you to the volunteers who helped serve. Thank you to Vincent and Howard for setting up. Thank you to Marcia who kept the tally of the reservations.

We would also like to thank Arthur Cohen for his donation towards the Chinese food, in memory of his mother Rose Cohen, a former member of the Flushing Jewish Center.

Most of all, thank you for participating.

SIMCHA CAKE

Sisterhood has created a way of announcing special Simchas and other events to support the Torah Fund of the Jewish Theological Seminary. At each meeting, we will be able to announce our Simcha and have it published in the Bulletin with a minimum donation of \$1.00. This is in lieu of putting Tzedakah boxes on the tables. Torah Fund contributions ensure our legacy to future generations of Conservative Jews by training Rabbis, Cantors, Educators, Scholars and Lay Leaders.

Rabbi speaks to the New Highland Elementary School

Letter from The Highland School:

Dear Rabbi Dan Wolpe,

Thank you very much for your very informative Hanukkah presentation to the boys and girls of the Highland School yesterday, December 17, 2019. The children were fascinated with the Menorah and the dreidel, and thoroughly enjoyed singing with you. We look forward to your sharing more enriching experiences with our students.

What Is A Tu Beshvat Seder? By Rabbi Dan Wolpe

While everyone, even many non-Jews, are familiar with the Passover seder, the Tu Beshvat Seder is not widely known. It began in the 1500's among the kabbalists of Tzfat. Even though Tu Beshvat is considered a very minor holiday, the mystics gave it an added weight, and as you will see, its importance has been heightened even more in modernity.

Tu Beshvat is often called "The new year of the trees," and is a minor holiday which is basically the Jewish Arbor Day. It is a celebration of nature and is celebrated in many different ways. The name Tu Beshvat literally means, "The 15th day of the month of Shevat." In Israel, it is customary to plant trees on this day in honor of it being the New Year of the Trees.

In the Talmud, Tu Beshvat is listed as one of four New Years in our calendar. The first of Nisan which is the new year in the Torah, the rabbis declared to be the "New year for kings and festivals." The first of Elul is the new year for tithes and cattle, the first of Tishrei is Rosh HaShannah, and is the date by which the calendar is counted and celebrates the creation of the world, and Tu Beshvat was ruled to be the date by which the agricultural calendar began.

In the 16th century, the mystics of Tzfat instituted the Tu Beshvat seder. This seder gave symbolic meaning to various fruits in Israel. Although much shorter than the Passover seder, it does include four cups of wine.

In recent years, with the ecological worries facing the planet, the high level of species going extinct, the danger of climate change, and the destruction of natural resources, the Tu Beshvat seder has taken on a new meaning and its relevance has been revived in almost all religious circles. Today, it is a reminder that we are stewards of the Earth and responsible for its upkeep. It is a job at which we have resoundly failed so far, and we use Tu Beshvat as a reminder.

There will be a Tu Beshvat seder on Monday, February 10 from 12:00 PM-2:00 PM. I hope you will all join me in this celebration.
